

SUPPORT FOR LEADERSHIP TEAMS

LEAP

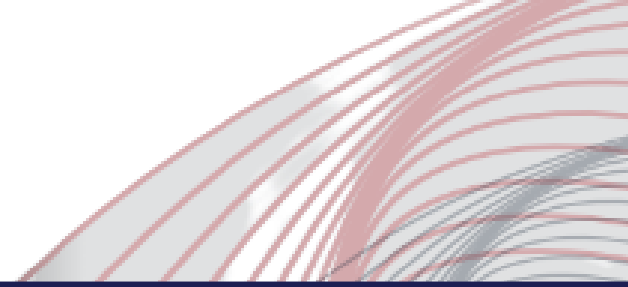

OVERVIEW

Leading an organisation in the increasingly dynamic business environment is challenging.

LEAP have developed a number of supports that enable Leaders and their teams to:

- Develop a practical organisational strategy that works
- Ensure that the senior team develop and demonstrate their leadership capabilities on an ongoing basis, in line with the company's culture and values
- Build a healthy company culture, and the supporting disciplines that will attract, retain and develop great talent
- Get things done: Enable ongoing activity that drives strategic initiatives consistently across the organisation
